[Frequently Asked Questions](#)

[Do I need to have project management experience?](#)

Students are required to have a baseline of professional experience - ideally 2 years of experience in project management.

[Is project management only for I.T. professionals and construction managers?](#)

The Project Management Certificate course has been designed for professionals at all levels of experience.

[Do I need to pay for the entire program up-front?](#)

Students can pay for one module at a time. To save a seat in the class, students can register for the first module.

[Will the Project Management Certificate prepare me for the PMP® exam?](#)

Our Project Management Certificate program has not been designed exclusively to teach for the PMP® exam.

[I have tuition reimbursement from my organization. How do I register for the program?](#)

Students being reimbursed directly by their organization will typically pay up front, either through a credit card or check.

Students receiving full company assistance or direct tuition assistance from their organization will typically pay up front, either through a credit card or check.

What is the program format?

Currently, the program is set up as in-classroom training, meeting one night a week for a

What materials are required?

The newest version of the Guide to the Project Management Body of Knowledge (PMBOK®)

All other materials, case studies, and other handouts will be provided electronically and p

Who are the instructors?

Mr. Judd Andres, PMP® is the primary instructor for the Project Management Certificate p
