WAIVER INFORMATION

If you are a new spring 2024 full-time domestic undergraduate student with existing health insurance, you may be eligible to waive the University-sponsored health insurance.

Please note, you will not be able to complete this waiver until after you are officially registered for classes.

Health Insurance Waiver

Waiver Available: November 21, 2023

Waiver Deadline: January 31, 2024

Important Notes:

If a waiver is not received by the waiver deadline, the student will be automatically enrolled in the University-sponsored health insurance plan.

An online waiver will need to be processed each academic year should you wish to waive coverage.

The only way to waive the University-sponsored health insurance is online.

Once the waiver deadline has passed, you will not be able to waive coverage until the next academic year.

Health Insurance Requirements for Full-Time International Students

Federal and state laws require that international students (F-1 and J-1) maintain adequate health insurance coverage while studying in the United States.

Please note: An international student studying through government or financial sponsorship may be exempt from this requirement.
